Thanks Mary. I'll send you a meeting invite for 1 pm eastern on Thursday.

The topic/issue I'd like to discuss is Waste Management's continued delay in addressing the issues identified by the Five Year Review. As far as we can tell, Waste Management missed EPA's original January deadline, belatedly sought an extension (which EPA granted) five weeks after the initial deadline, and on the due date sought an additional 4 week extension (which EPA mostly granted).

Good luck with your deadlines and I look forward to speaking with you on Thursday.

Regards,
Scott

[EXTERNAL]

Scott—hope you are doing well. I'd be happy to talk, but have some major deadlines and meetings coming up...how about next Thursday, 4/8? Right now, I am open except for 10-11:00 EST. It would be helpful if you could give me a sense of the topics/issues you'd like to discuss, other than a general update.

Have a nice weekend. Thanks, Mary
